Recipient Codes**

Use the following codes to select your **Attending Institution** and **Designated Score Recipients** when you register. The codes are for candidates taking the Audiology or Speech-Language Pathology tests. The **Attending Institution** codes are preceded by an A or the institution(s) where you received training relevant to the test. The **Designated Score Recipients** codes are preceded by an R for the institution(s) where you want your score report sent. RA codes may be used in either section. State departments and agencies are listed first in bold, followed by speech-language pathology and audiology departments of colleges and universities. Codes are updated throughout the year. If you cannot find a code you are looking for, please contact Customer Service to see if one was assigned after our web publication date.
